# WELCOME MESSAGE

On behalf of the congress committees, it is with great pride to announce that the 16th International Congress of Psychiatry, and the 4th International Congress of Child & Adolescent Psychiatry, will be held from 21-23 September 2021.

Our Theme is

**"Integrating Science into Psychiatry for Better Patient Outcome"**

This virtual conference will provide a platform to share the latest update and meet eminent speakers in the field of Psychiatry, bringing together participants from different countries, thus allowing fruitful sharing of knowledge and experience.

Our online platform will allow you to access scientific sessions, exhibitors virtual booths, poster area, and make a virtual tour to the beautiful landmarks of Egypt. All these experiences come from the safety and comfort of your home and/or office. Make your plans and arrangements now to be a part of this hallmark scientific virtual event. We look forward to welcoming you.

Congress President
